FOREWORD

We of the Viking staff proudly present our edition of the 1957 Viking. This year the purpose of our yearbook is to accurately present the familiar scenes at beloved old No-Ca-Hi. We hope that this yearbook will serve as a "Book of Memories" to the seniors and also to you, the underclassmen, when you move into the new Hoover High School.

Let us turn the pages of our "Book of Memories" and see the familiar pictures of:

ALMA MATER

*Our strong band can ne'er be broken,
Formed in N. C. High;
Far surpassing wealth unspoken,
Sealed in friendship's tie.*

*High school life at best is passing,
Gliding swiftly by;
Then let us pledge in word and deed,
Our love for N. C. High.*

*Alma Mater, Alma Mater,
Deep graven on each heart,
Shall be found unwav'ring true
When we from life shall part.*

SENIORS

Here we are at the City of Graduation, waiting to try our hands at what lies inside.

It has taken us four long years to reach our destination. Our journey began at the far end of High School Valley in a small village where we were known as Freshmen.

As we left the city and started on our trek up the valley, we encountered such obstacles as Algebra I, Latin I, General Science, and scores of other plots that were laid to catch us and trip us up. The big event of the year was the Freshman-Sophomore Party, at which we worked quite hard.

The next step in our journey was through the Sophomore Swamp. Detention was poking its ugly black head out of the mucky brine to try to capture us. A few got by, but many were temporarily caught in his jaws until Hard Work and Honesty set us free.

At last we reached the foot of the Junior Mountains. Far at the top we could see the City of Graduation poking through the clouds. Our main obstacle on the Junior Mountain was a large, rocky hill known as Junior-Senior Prom. At times we wondered if we would ever make it. If it hadn't been for our faithful guides, the Seniors might not have had a prom.

At last we came upon the highest and hardest mountain of all, the Senior Mountain, at the top of which lies the City of Graduation. Extra-curricular activities began crowding out all studies. But when report cards rolled round, we soon realized we'd better "get on the ball." Then came the Senior Prom, put on for our benefit.

At last we have received the key to the City of Graduation, our Diploma. It is with very deep regret that we say "Good-by" to High School Valley, but we are all anxious to start out on the road of life.

Our Marching Band was very active this year. It offered fine half-time shows at every football game and played at various other community and band activities.

The Concert Band was also active. Among other things, it took part in the

DIRECTOR

Mr. John E. Adams, our instrumental director at North Canton, has encouraged the formation of many small instrumental groups. These ensembles include Brass Choir, Woodwind Quintet, Trombone Trio, Clarinet Quartet, String Quartet, Horn Trio, and Dance Band. The groups, on many occasions, have provided music at community and school activities. The students taking part in these groups have benefited from the privilege of learning to play in a small group, and have also indirectly contributed towards the improvement of the band.

North Canton was indeed fortunate this year to have some very outstanding vocal groups. One of the most successful of the groups was the A Cappella Choir, accompanied by Ronnie Gerber. They participated in a Twilight Christmas Concert, performed on a radio program sponsored by Junior Achievement, and also sang at Baccalaureate.

The Girls' Glee Club, also accompanied by Ronnie Gerber, gave a concert in November during National Education Week and also a Christmas Concert for the P. T. A. In May, they presented a spring concert at the First E. U. B. Church in Canton.

The Freshman Mixed Chorus, accompanied by Sara Elson, presented a Thanksgiving Assembly in the fall, gave a concert for the Music Association, and also entered the spring contest.

Mr. Hurst also organized small vocal ensembles such as Vikettes, Barbershop Octet and Triple Trio. These groups have sung for numerous social functions in this area.

The new members are selected by a committee of faculty members and they must have a scholastic average of at least 85 to be eligible and to remain in the society. The highlight of their activities is the impressive induction service conducted in honor of the new members.

This year's officers are Dan Piper, president; Marcia Sommerschild, vice-president; Arletta Mohler, secretary-treasurer.

STUDENT COUNCIL

Student Council this year was under the successful leadership of its president, Judy Burns. The other officers were Betty Skarin, vice-president, and Carla Gilmore, secretary-treasurer. Assemblies and programs for next year were part of the work accomplished by the group.

DEBATE

In recent years, it has been proved again and again that one of the most worthwhile and beneficial of all extra-curricular activities has been debate. This organization affords valuable training for the future to each member by helping him gain poise, improve his voice and speaking ability, and to obtain a clear understanding of the issues involved. Varsity debaters for 1956-57 were Bonnie Stewart, Judy Wagner, Earl Newell, and Steve Harter.

N. F. L.

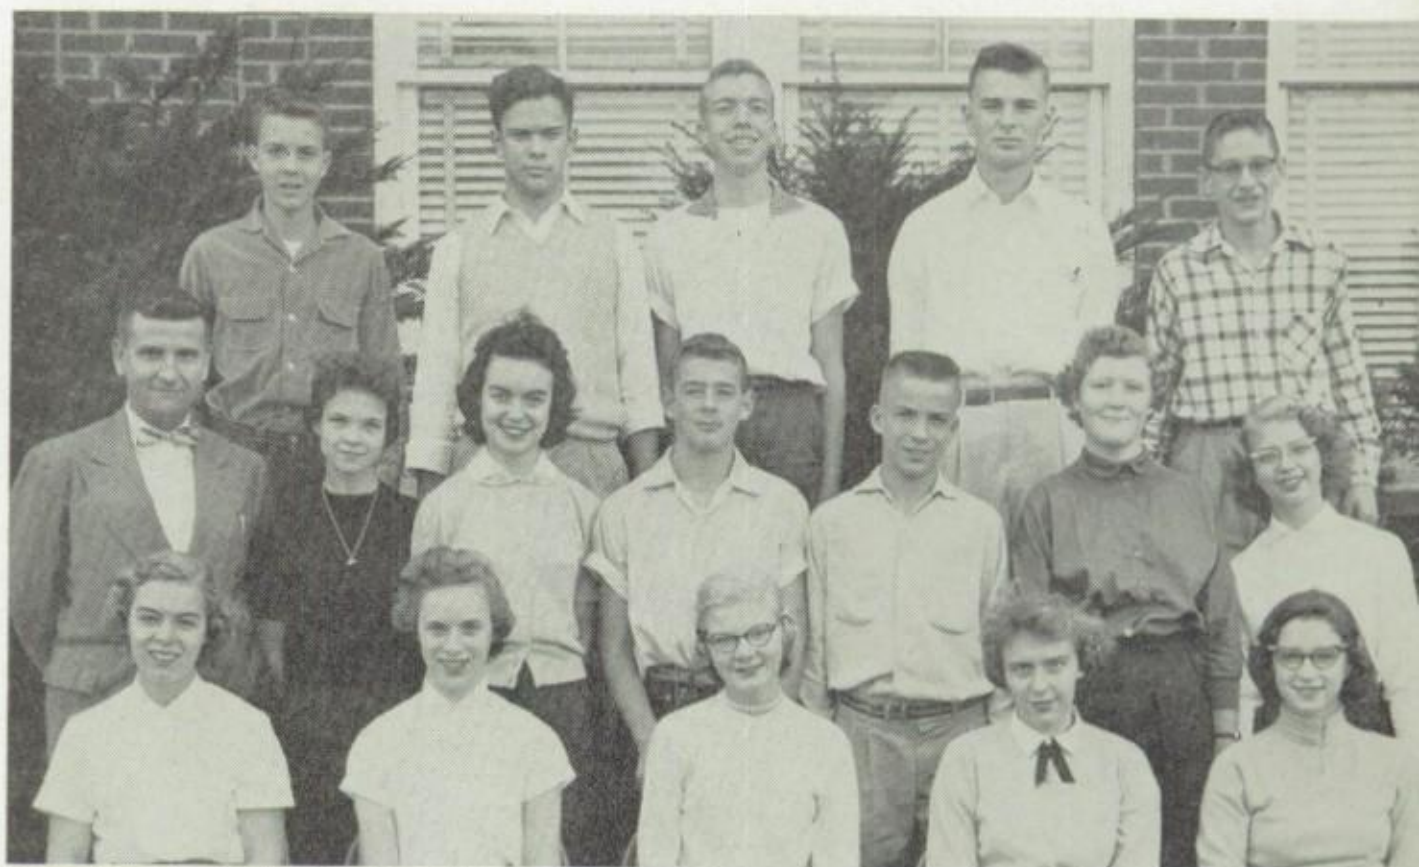

The North Canton High School Chapter of the National Forensic League is one of the 656 chapters in the United States created for speech students to develop leadership and speaking ability. Membership is obtained by the accumulation of a minimum of 20 points through active participation in debate, service speeches, individual events, and student congress. The 1956-57 officers were Bonnie Stewart, president; Earl Newell, vice-president; Judy Wagoner, secretary; and Steve Harter, treasurer.

SENIOR PLAY

The curtain rose Friday, March 15, for the 1957 senior class play, entitled "Doctor Hudson's Secret Journal," a drama in three acts.

In the play, the secret pages of Dr. Hudson's journal come to life. Dr. Hudson, an overworked doctor who does good deeds secretly, finds himself in the center of many problems around Brightwood Hospital. One of these is his teen-age daughter, Joyce, whom he sends to a private school, but he can't seem to keep her there. Another is a hard-headed businessman, Mr. Warner, who owns the land needed for a new hospital wing. To add to the many problems, Barbara Warner, daughter of the rich businessman, falls in love with Joel Kelsey, a young intern at Brightwood, and she works at the hospital, hiding her identity.

Nancy Ashford, Dr. Hudson's secretary, is a great comfort to him all through his trials.

In the end, the new hospital wing is about to become a reality and, with Nancy's help, Dr. Hudson restores his faith in his fellowmen as the curtain falls on a truly successful performance.

JUNIOR PLAY

"Papa Was A Preacher," a comedy in three acts, was presented by the junior class on November 16, 1956.

For the family of a minister, growing up has tribulations that most children escape. So it was with the six children of Reverend and Mrs. Porter. The main trouble was an old woman, Miss Jonas, who takes pictures of the boys fighting in their cotton patch and threatens to take them to the bishop. One son, Cecil, puts on an acrobatic dance at school, is expelled, and runs away. All these disasters occur just as the Reverend and Mrs. Porter are planning to celebrate their silver wedding anniversary.

Finally the Porter boys get a picture of the police at Miss Jonas' house, where they were relieving her of a still in her basement, on which she brewed only a tonic, of course. When she is shown the picture, she regrets all the hard feelings she has caused the Porter family, and they forgive her. The cast gave a commendable performance.

The Viking gridders, under the able coaching of Don Martin, posted their best record in four years as they compiled a mark of 4-4-1.

The Vikings started out as if they were going to go undefeated as they posted consecutive wins over East Canton, Middlebranch, and Louisville, then a tie with Northwest, followed by a win over Greensburg. The wall caved in as the Vikings dropped their last four games. However, the team accomplished many things. It defeated arch rival Middlebranch decisively to retain the bell and it beat Louisville for the first time in ten years.

All in all, the Vikings had a very successful season.

BASKETBALL

The varsity basketball team, with only one letterman back, won 6 of 19 games.

The team had much desire and scrap and the boys were always battling. Bill Ridge, guard, led the team in scoring with an average of 14 points per game, while Dick Morrow, center, was second, averaging 10 points per game.

GIRLS' SPORTS

The Girls' Activities Association, under the direction of Miss Joanne Olive, had a very active year. The big project for the year was the selling of Viking sweat shirts.

In the fall, the girls had softball teams which competed against each other. The season ended with the team called the "Bandettes" in first place.

In November, a few of the members attended a Play Day at Canton South. This included volleyball and basketball games for all the girls.

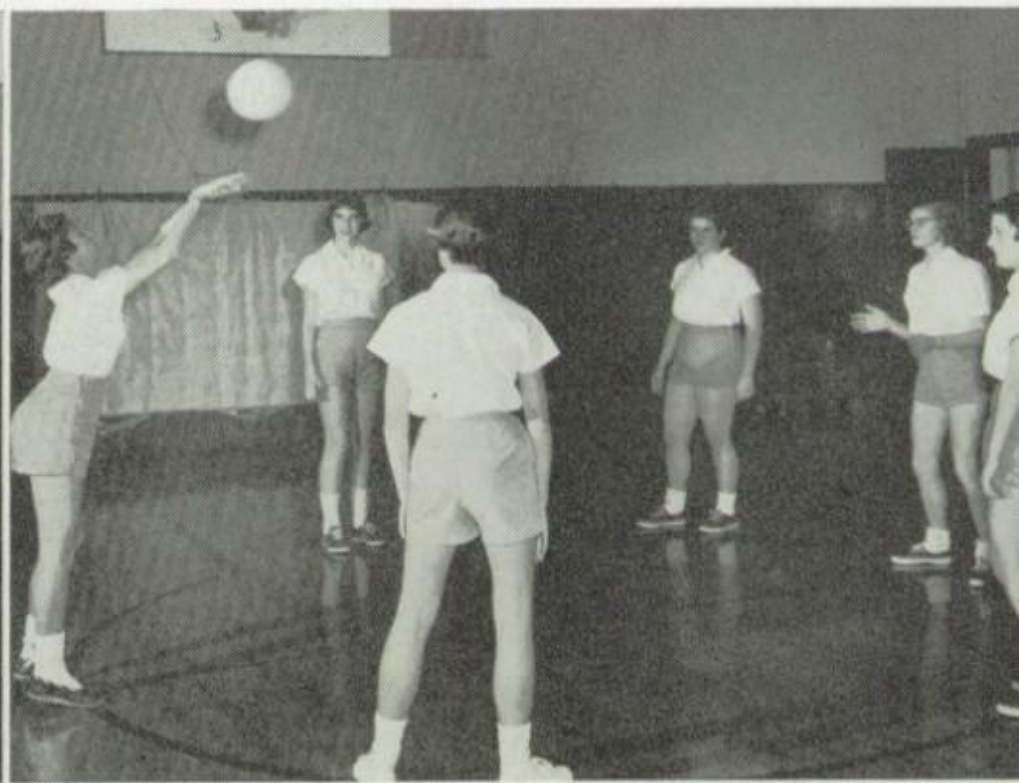

When basketball season came, the girls once more divided into teams. The struggle for the championship was close, with the "Basketeers" and the "Bouncing Teens" tying. In the play-off game, the "Basketeers" came out as the victors.

In April the girls had their own Play Day with the Canton South girls as their guests.

The president for the year was Leona Porter, who set a very good example for future presidents. Other officers included Carolyn Smith, vice-president; Nancy Hagenlocker, secretary; Marian Wisniewski, treasurer; Linda Piper, publicity chairman; Patsy Snyder, softball activity leader; Sally Deible, kickball activity leader; Gail Dolan, basketball activity leader; Pam McAnall, junior high basketball activity leader.

Home is where you make it

IF the job's there, and you can get it—go ahead. Nobody can stop you from crossing state lines, choosing your own job. In America you have a right to work anywhere you please. Lots of people in other countries wish they had this same freedom.

If you lived behind the Iron Curtain—or under that kind of government—you'd be expendable manpower, nothing else. You'd work where you were told to work, at any job the state said you should do. You'd have no choice. You couldn't hope for better working conditions, criticize the boss, or pick up and leave.

You know... it's really something, this freedom to work where you please. It's a precious heritage, part of being an American. And doesn't it give you the shudders to realize that there are people who'd like to take this right—put us all under Iron Curtain working conditions? Let's not let it happen...

Keep your rights, all of them, including this one. Speak up for them. Resist any movement to take them away. Don't let anyone talk down your freedom. Compare what you've got with what they've got—and keep your right to work where you choose!

The best way to protect your rights is to know them and treat them right by exercising them.

TIMKEN

"The right to work shall not be abridged nor made impotent"

DO YOU KNOW YOUR RIGHTS?

As Americans, we have the greatest freedom and the highest standard of living in the world. Help keep it that way by knowing your rights and guarding them well. Some of them are:

- Freedom of worship*
- Right to secret ballot*
- *Right to know how your union spends your dues*
- Freedom of speech*
- Freedom of the press*
- Right to criticize officials*
- *Right to know salaries of your union officers*
- Freedom from search without warrant*
- Right to petition government for redress of grievances*
- *Right to know if your union officers are Communists*
- *Right to know how your union is run*
- Right to speedy and public trial by jury*
- Right to help of a lawyer*
- *Right to bear your employer's side of disagreements*
- Right not to appear as a witness against yourself*
- *Right to refuse to permit the "check-off" of union dues*
- *Right to go direct to your boss with a grievance*
- Right to be presumed innocent until proved guilty*
- Freedom to own property*
- *Right to work despite union jurisdictional disputes*
- Freedom to work in any locality*
- *Right to proper supervision of your union welfare funds*
- Freedom to start and manage a business*
- Freedom to make a profit*
- *Right not to be fired by union leaders*
- *Right to vote on company's best offer*

*These are rights you enjoy under the Taft-Hartley law.
 **This is a right enjoyed by members of United Steel Workers, C.I.O. only when the Taft-Hartley law is invoked.

Graduation or Commencement?

Two words with different meanings. It all depends on your point of view. Will you graduate or will you commence?

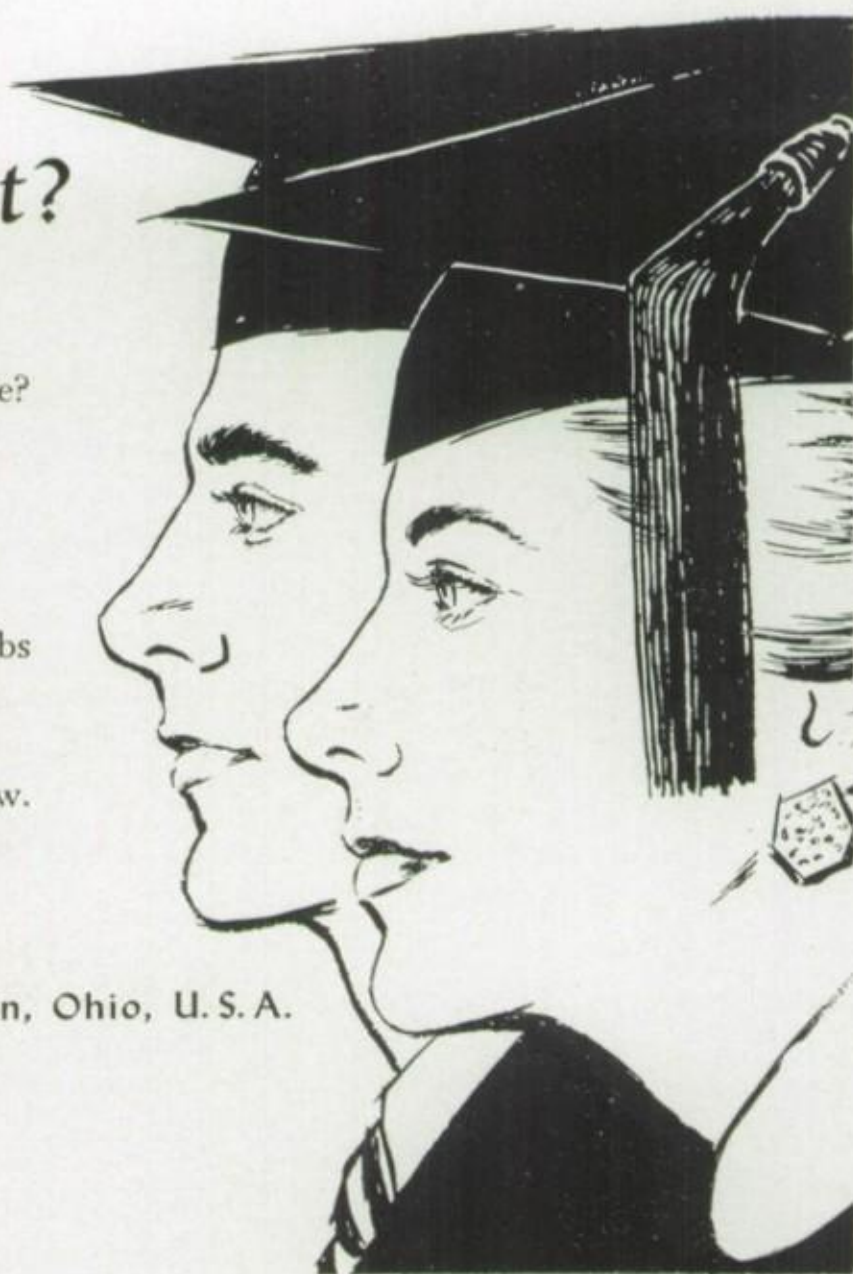

Graduation means the completion of a required course. Commencement means the beginning of new experiences.

This year, seniors will be starting new tasks. Some of you will become housewives, others will start new jobs in shops, factories and offices. Still others, will continue your studies in college.

All of these opportunities are a chance to commence anew.

Make the Most of it.
